**DO YOU HAVE INSIGHTS ON WHAT IT TAKES TO
MAXIMIZE THE POTENTIAL OF TALENT AND
CULTURE IN THE NONPROFIT SECTOR?**

If so, we invite you to submit a proposal to speak at the [2016 Nonprofit Talent & Culture](#)

[Summit](#), taking place April 17-19 at the Washington Marriott at Metro Center in Washington, DC.

We are looking for strategically-focused innovators to share their expertise and experience at the Nonprofit Talent & Culture Summit. The conference is targeted at nonprofit leaders and talent/human resources professionals, and is expected to attract over 325 attendees.

Our content will focus on three tracks:

Talent acquisition: Have you created a memorable candidate experience at your organization? Are you experienced in using data to reach top performers and make informed talent management decisions? We want to hear your insights.

Culture and retention: Have you developed unique ways to retain talent and engage staff at your nonprofit? Share what's working for you with our audience.

Talent development: Do you know how to prepare for shifts in the workforce and build the next generation of leaders? Help our attendees get up to speed and ready for the future.

Can you or someone you know speak to these topics in a compelling way that will drive our audience to action? [Click here to learn more and submit a proposal to speak at the Nonprofit Talent & Culture Summit if so. The submission deadline is August 1st, 2015.](#)
